## Uses

Douglas County manages the property as a working cattle ranch. Access to the property is for organized groups including educational tours for school groups and horse rides.

Hiking

Horseback Riding

No Motorized Vehicles

Parking

Entrance

## General Information

The ranch is characterized by rolling grasslands, mixed pine and Gambel oak forests, rocky outcrops, narrow canyons, riparian areas and lush hay meadows. Hawks, pronghorn antelope, coyotes, deer, elk and great blue herons are known inhabitants.

The ranch was acquired because of its diverse wildlife habitat, unique ranching history and scenic qualities.

**Guided access is allowed under agreement with Douglas County Open Space.**

## Respect Wildlife

Pronghorn, snakes and many other wildlife species call this land home.
